Financial Assistance

• ROAR counselors can help students complete financial aid paperwork, offer updates on scholarships and provide timely information regarding the financial aid process. SSS also hosts financial literacy workshops and will work closely with the Office of Financial Assistance and Veterans Affairs to determine the individual needs of each participant.
ROAR Grant in Aid

• ROAR Scholars *may be* eligible for grant aid from the program. Grants are typically awarded every fall semester. For more information, inquire in the ROAR office.
